## 2025 Fee Schedule for Tom Vadnais

*For all work performed on any file, portal to portal.*

**Billing Rate:** \$450.00 per hour

**Expenses:** Mileage: IRS Standard Mileage Rate (currently \$0.70 per mile)

All other expenses billed at cost, including subcontracted services, if needed.

**Note:** As of 02/01/24, I will no longer be storing tires and wheels after my analysis is completed. Tires and wheels will be shipped where directed within fifteen days after analysis. If they need to be stored longer, they will be transferred to Complete Storage Solutions in Covington, GA, who will assume responsibility for storage, further inspections, and future shipping. Complete Storage Solutions will take possession of the evidence, store it securely, and bill for any storage or shipping charges from that point on.
